Making Great Communities Happen

April 24, 2017

Andrew Haussler
Community and Economic Development Director
City of Clovis
1033 Fifth Street
Clovis, CA 93612

Dear Mr. Haussler:

Re: 2017 APA CA Central Section Planning Awards

On behalf of the Central Section Board, I'm honored to notify you that the **Magnolia Crossing Project** has been selected to receive the **2017 Outstanding Planning Award in the Planning Project (Section Only) Category**. The Board applauds your efforts to create and maintain vibrant and healthy communities within the Central Section. If desired, a Board representative would be happy to present the award to the Clovis City Council in the coming months. Alternatively, the award plaque can simply be mailed to the award recipient. Please contact me at your convenience to discuss your preference.

As a section award recipient, you may be eligible to submit your project for APA California State Chapter Award consideration. If applicable, and you choose to do so, please note that these applications will be due in early June of 2017. Details regarding the awards may be located on the Chapter website at <https://www.apacalifornia.org/events/awards-program/>. If/when needed, I am happy to provide the Section award confirmation signature on your State application.

Best Regards,

A handwritten signature in blue ink, appearing to read 'Rob Terry'.
